**Visit of Nurmi Is
Delayed for Time**

**1st Now Scheduled to Leave
His Native Finland on Decem-
ber 6**

NEW YORK. Nov. 20.—The invasion of the United States during the track season by Paavo Nurmi, famous Olympic champion, has been delayed until next spring, it was disclosed yesterday.

The great Finns runner, who will be 30 years old in April, was to have sailed from New York on Dec. 1, but he has said he will not intend to depart until December 20, so that he may have time to compete for the first time in the United States in the Christmas and New Year's races.

He has been invited to compete in the games of the Finnish-American Club.

President and Director, according to tentative arrangements made, also expect him to compete in the games being made for them to run in Toronto, and they may also compete at meets in other Canadian cities.

**Action Against S. S. B.
Dismissed With Costs**

The action of J. E. Miller of King's Lynn, England, against the Board of Education, which he brought before the Exchequer Court in Edmonton, was adjourned yesterday to give the Board a chance to meet a similar suit filed by Mr. Justice McLean in the High Court of Justice.

Mr. Miller, who was represented by Mr. Justice McLean, claimed that he was most likely to rely on his own judgment in the purchase of a farm situated near Edmonton, Alberta, and to make a profit of £1000.

At the conclusion of the meeting several candidates for Aldermanic and School Board honours addressed the audience.

OLD COUNTRY NEWS

The Edmonton press offices continue to work to draw the attention of the public to the arrival of the first of their Christmas parcels and letters which will be sent to Canada. Letters which it intended for the Canadian post office to forward to the steamer "Minotaur" which sailed from Liverpool on October 20.

Usual Price Lists Sent Out
From U. S. Points Offer
Amazing Money for Peltries

Those enterprising merchants who survey "sucker lists" or guillotine price lists are now busily engaged at the time of writing, the first of the lists having been issued by the United States Fur Association, the first to come from the United States and are bound to be followed by others who appear on the lists as "guillotine."

Every season the trappers in North America and the Northwest Territories publish price lists which offer the usual range of skins per pound, but these lists do not reflect the market value of the goods.

Many of the skins which are offered for sale are of easy wealth but there is also among those who make a living on the traps, the trap men, the men who sell the pelts which the price-setters take into account.

Using the actual worth of the market, the education market at the present time, the price of a mink, \$12.50, a fox, \$6 to \$8 cents; coyote, \$12 to \$20; a weasel, \$2 to \$3; a skunk, \$2 to \$20; a marten, \$2 to \$15; weasel, \$2 to \$10.

The prices advertised are never the real ones, there are some men who will tell you that they are the real ones, but the result is that they get a police lecture.

It is the opinion of the fur trade that the fur dealers who make a living on the traps-for you sent us—do not care if you are granted short and even arm always for the best—short with very few words.

H. Burch, W. Schenck and C. Plekotek (Stavropol); and W. J. McRae, Slave Lake (Wainwright), secretary-treasurer, C. Adams.

Officers and executive for the High Prairie branch, which will include the towns of High Prairie, Slave Lake, and surrounding district, will be nominated in due course.

Provisional meetings will be held with the terms of the federal election.

**DEAD RABBITS LITTER
WOODS WEST OF CITY**

Trappers from the Bow River area report that the woods are littered with dead rabbits, this tokening the presence of the animal and marking the end of the trapping season. The value of the coyotes are very numerous this season, but as they are feeding on the dead rabbits, it is difficult to distinguish with the consequence that the coyote pelt is worth \$10.

In Tomahawk, district, this area being the most popular, it is possible to take hundreds, no one is more successful also and will be advised to practice skins specially.

The day or the set date for the general election, Jan. 16 or Sept. 25, will be determined by the date of incorporation of the church.

Provisional meetings will be held with the terms of the federal election.
